#### October 3, 2016 DON SCOTT – OSU AIRPORT

Volume 5, Issue 1  
October 2016

The October 3, 2016 program was brought to our club by Chuck Kemp. The speaker was Doug Harmon who is the director of OSU aviation for 17 years. The Don Scott property was purchased in 1942 and the airport was built in 1943. It is used as a teaching, research and public service center. It's mission is learning discovery and engagement initiative. The airport was slated for sale but with the new OSU President it was saved. They have 90 employees and one third of those are students. It covers 1200 acres. It is the fourth largest airport in Ohio. It was named after an Ohio State all American quarterback and kicker who died in 1943 as a captain of a B 26 bomber in World War II.

Thanks to Chuck Kemp for bringing this program to our club.

#### October 10, 2016 WESTERVILLE GOLF OUTING

On October 10, 2016 Della Cross attended the Westerville golf outing at the Raccoon Golf Course in Granville. Golf was enjoyed by our team which was made up of Jennifer Lewis, Jerry Miller and Della's sister Denise Mamone. Our team had the only three women who golfed and Denise Mamone won the longest drive. It was a wonderful event and a beautiful day.

## October 17, 2016 PRESIDENT'S PARTY

Twelve members and four guests—many in island dress—had the enormous pleasure of attending our club's President's party, themed "Life's a Beach." Four guests were present for the installation of officers after an hour of extraordinary music provided by fourteen members of the Granville Steel Drum Band. Their final piece, serving as our invocation, was Amazing Grace.

Installation by Lt. Gov. Jim Janosik included: Susan Mamone, president; Wayne Sheppard, secretary; and Jack Pohlman, treasurer. Beth Riemenschneider, vice president, was absent due to illness. Our new board member, in addition to Della Cross and Kim Janosik, was Tara Bishop. Julia Sheppard is no longer a board member (past president), being replaced by our new past president Jim Janosik. All members are invited to the board meetings to offer their thoughts on decisions being made by the board members. Currently board meetings are scheduled for 6:00 p.m. at Susie's house the fourth Monday of the month.

## October 17, 2016 JEANNE PEIFER— LEGION OF HONOR

Jeanne Peifer was honored at the President's party with a Legion of Honor award for her 25 years of membership in Kiwanis. Jeanne was a member of Golden Buckeye K club where she served as Lt. Governor for Division 10-E. Worthington-Linworth welcomed her to our club when the Golden Buckeye K club dissolved. We have benefited from her years of service.

## October 24, 2016 SHOE SERVICE—MONTHLY BOARD MEETING

Susan Mamone conducted her first board meeting by hosting a weiner roast in her back yard. Members who enjoyed hot dogs and chips were Wayne Sheppard, Julia Sheppard, Jack Pohlman and Della Cross before proceeding to the board meeting. Joining the board meeting were new board members Tara Bishop and Beth Riemenschneider.

The board meeting needed to conclude in time for the group to assist in banding and bagging the shoes that Susan had collected to date in her barn. The bagging had to conclude due to the evening turning dark but progress was made.

Thanks to Susan for hosting this fun combined boarding meeting and service project.

## October 29, 2016 FARMER'S MARKET—PUMPKINS

The final day of the Worthington outdoor farmer's market was marked by Pumpkin Painting and Jewelry Making at our Worthington-Linworth Kiwanis tables. Susan Mamone, Tara Bishop and her friend Philip, Wayne Sheppard, Julia Sheppard and their grandson Jarred Sheppard provided pirates, princesses and superheroes with the materials to create fantastic painted pumpkins and whimsical bracelets. So popular that we ran out of pumpkins!

## November 26, 2016—Wonderful Window Contest November 27, 2016—Window Reveal

Susan Mamone has asked her daughter to assist with a design for the window. We will need members to assist in putting together the window and members to help with the set up on Saturday, November 26, 2016. The reveal will take place on Sunday morning and a

member or two will be needed to tear down the paper for the event. Mostly, however, we will need members to encourage friends and family to stop by Jets and cast their vote by making a donation to the voting box. The contest will run until December 26, 2016.

**PRESIDENT’S MESSAGE**

**By: Susan Mamone**

Susan has a lot to say but just not in writing. If you want see what our President is doing and what help she needs, show up at a meeting or respond when she reaches out to you or the membership for help.

**COMMUNITY SERVICE CORNER**

**By: Julia Sheppard**

- 10/22/16– Touching Little Lives
- 10/29/16—Pumpkin painting
- 12/10/16-Salvation Army

The Worthington family who had the tragic accident was not interested in any assistance from the club at this time.

The board members assisted in banding and bagging shoes after the monthly board meeting.

The club will support this year literacy program by checking on the cost of books for distribution to students in the Worthington school system. The cost will determine how many books we will be able to afford using money from the Farmer’s Insurance grant.

In further support of the First Lady’s literacy agenda, Northland has brought us an opportunity with Reading Buddies. See page 6 for details in how to get involved.

Susan Mamone dropped off some CHAD stickers to the Worthington Police Department and checked on any service project we would be able to do with them.

OTHER ACTIVITIES:

Kiwanis closet has been set up at Slate Hill, Colonial Hills and Worthington Estates. Another site may be Wilson Hills. Items needed are children’s underwear, leggings and sweat pants.

**FUNDRAISING CORNER**

**By: Della Cross**

August thru December – Entertainment Books

September & October – A Step Ahead—Shoe Collection

October 29—Pumpkin painting in downtown Worthington

November 26 thru December 25 – Wonderful Window Contest

Valentine timing—Chocolate Sales Event—TBD

Trivia Night—Spring scheduling

Susan Mamone, Tara Bishop and friend Phillip, Julia, Wayne and grandson Jarred Sheppard staffed the pumpkin event. We raised close to \$200.00 painting pumpkins and making jewelry. Julia and Della got Meijer gift cards to off set the expenses. Annina Parini with Old Worthington Partnership expressed thanks and hope that we continue this event.

The shoe collection is still in progress. We are hoping to collect 300 bags since there is a \$250.00 fee for picking up the shoes which is paid from the proceeds. The shoes are being held in Susan Mamone’s barn.

Entertainment books are still available from the club. They make good Christmas gifts.

The club will decorate Jets Pizza’s window again this year in downtown Worthington. Ideas and planners are needed.

The club received \$51.31 from the members who support the Kroger Community Rewards program. This is an important fundraiser since the proceeds from this fundraiser benefit the administrative fund.

**MEMBERSHIP CORNER**

**By: Jim Janosik**

Jim Janosik reported that he spoke personally with one of the prospective members that he met at the volunteer fair and talked by telephone with the second prospective member. He is hoping that these two people will attend the November 7, 2016 meeting. Jim also stated that the Division 10-E goal for membership in this administrative year is 48 new members. He is hoping we will at least be able to increase our membership by four.

**SPONSORED YOUTH CORNER**

**By: Kim Janosik**

Kim Janosik was not present to present a report. Jim Janosik however did indicate that he met with Jackie Dowdy to complete the painting of the map. He also ask Julia Sheppard if she would gather items for the Kiwanis closet such as socks and underwear which are needed. Also needed are sweat pants and leggings.

Here is some information about Reading Buddies:

--Every branch of the Columbus Metropolitan Library has Reading Buddies as a service, but each location chooses the times to do it. At Karl Road branch (5590 Karl Rd, 43229), they have Reading Buddies from 5-6pm Mon-Wed.

--Staff or volunteer will sit down with a child (Kindergartner-3rd grader) to read for 15 min. Usually the child will select some reading material to use during their session. At the end of the 15 min. the staff person or volunteer will ask the child a few questions about what they read (there's a notebook of suggested questions by grade-level). Staff or volunteer may sit down with 3-4 children during the hour, usually one at a time.

--Staff and volunteers are given training prior to being a Reading Buddy.

--At the Karl Road branch, the children are often from immigrant or disadvantaged families.

--They are often very excited to read with someone!

--Some of them have disabilities (such as ADHD, dyslexia); unfortunately, the only help we can give is support and practice time.

To sign up for volunteering, a person would visit the website (<http://www.columbuslibrary.org>) and scroll down to the bottom of the main page, under "About", and click on "Volunteer." Then, fill out the volunteer application. Make sure that you select Reading Buddies as activity and Karl Road as first preference for location. There is also more information and description about Reading Buddies under the "Services" link (just below our banner), then "Reading Buddies."
